Chief's Office, Police Department.
Jersey City, June 11, 1900.

Honorable Board of Aldermen of Jersey City, N. J.:—

Gentlemen—I would respectfully inform you that I caused the arrest of E. R. Benjamin, who claims he is the manager for Harvey G. Hait, a licensed saloonkeeper at 784 Grand street, for publicly distributing one of his business cards with an obscene publication on the back of it. When Detective Holtic called at the said saloon he found a young girl in charge of the barroom, who gave him one of those cards, which I enclose. Benjamin tells me that Hart knew of the existence of these cards; in fact, they were distributed from his saloon. He also tells me that Hait is not here at present, but engaged in some other business in the west, Benjamin by the way is not a citizen of Jersey City, he having lived here but a short time. Knowing that your honorable body would not tolerate a place of this kind in our city, I respectfully call your attention to same and ask for a revocation of Hait's license.

Respectfully yours,
BENJ. MURPHY,
Chief of Police.

OFFICERS' COMMUNICATIONS.

The following communication from John W. Queen, Esq., Corporation Attorney, was presented, received and ordered filed:

Jersey City, N. J., June 21, 1900.

The Honorable Board of Aldermen, Jersey City, N. J.:—

Gentlemen—I beg to advise your Honorable Board that the Supreme Court at its present term, has dismissed the certiorari of the Kendall Manufacturing Company against the city to renew the sixth section of an ordinance, entitled "An Ordinance regulating licenses (concerning peddlers)." The section taken up for review by the writ of certiorari is as follows:—

"Each and every person so licensed as aforesaid, who is not a resident of Jersey City shall pay into the treasury of the city the sum of twenty-five dollars for the use of the city."

Another section of the ordinance provides the residents shall pay into the treasury of the city ten dollars for such license. The complaint against the section of the ordinance reviewed was that it discriminateu against non-residents. I did not attempt to uphold the legality of this section of the ordinance. It is clearly illegal and void. A similiar ordinance was set aside by the Supreme Court in the case of Morgan vs. Orange, reported in 21 Vr., 589, in which the court says that an ordinace discriminating against a non-resident applicant for a peddler's license, by imposing a greater fee on him than on a resident within the city, is unreasonable and void, my contention at the argument was that the Kendall Manufacturing Company did not place itself in such a position as would entitled it to review the ordinance by a writ of certiorari and this contention was upheld by the Court.

I have written my views thus at length, relative to the legality of the sixth section of the ordinance in question, in order that your Honorable Board may take such action thereon as you may think desirable.

Yours respectfully,

JOHN W. QUEEN,

C. A.

The City Clerk presented a proof of publication in the Jersey City News of notice of application for one hundred and sixty-nine (169) restaurant licenses and two (2) wholesale liquor dealers' licenses and the same was received and ordered filed.

Resolved, That when this Board adjourns it will adjourn to meet at the Assembly Chamber, City Hall, on Tuesday, July 3, 1900, at 8 o'clock P. M.

By Alderman Calnon and adopted:—

Whereas, Suit was brought in the Court of Chancery of New Jersey by the Attorney General of the State, in the year 1898, to restrain the City of Paterson from discharging the contents of its sewers into the Passaic River, thereby corrupting the said river at all points below said city, and inflicting great public injury, not only upon the population resident in the cities located upon the lower part of the Passaic River itself, but also destroying the river as a source of public water supply in Jersey City and places adjacent, pursuant to a grant made by the Legislature, in the year eighteen hundred and fifty-two, the right of Jersey City thereunder having vested and been exercised for a period of forty years; and

Whereas, The City of Jersey City is joined as one of the complainant parties in said suit, with the consent of the Board of Aldermen of Jersey City, given in a resolution adopted by said Board at a meeting thereof, held December twenty-eight, eighteen hundred and ninety-six; and

Whereas, In the course of legal proceedings had with respect to said suit, a decision has been rendered by the Court of Errors and Appeals of New Jersey, denying all equitable or other relief in the premises in Jersey City, and to such other of the parties complainant

as are riparian owners upon the tidal portion of the Passaic River, or who are affected by the pollution existing therein; said decision denying also that the pollution of the Passaic River caused by the discharge into it of the sewerage of the City of Paterson constitutes a public nuisance in the eye of the law; and

Whereas, Jersey City has been compelled, by the Acts of the City of Paterson, to abandon the use of the Passaic River, at Belleville, as a source of water supply, and has been obliged to expend annually, since the year eighteen hundred and ninety-six, between three hundred and fifty thousand and four hundred thousand dollars in the purchase of water, or more than twice what would have been the cost if pumped at its own works; and

Whereas, Jersey City, under the decision of the Court of Errors and Appeals, is cut off from all claim against the City of Paterson for damages on account of the injury so suffered by it; therefore

Resolved, That the Board of Aldermen of Jersey City hereby authorizes an appeal from the aforesaid decision of the Court of Errors and Appeals of New Jersey to the Supreme Court of the United States, on the part of the City of Jersey City, either separately or otherwise; and hereby requests His Honor the Mayor of Jersey City to take such steps as may be necessary therefor, proceeding under the resolution, above cited, passed by this Board December twenty-eighth, eighteen hundred and ninety-six.

On motion of Alderman Calnon, the Board then adjourned.

MICHAEL J. O'DONNELL,
City Clerk.

Adjourned regular meeting of the Board of Aldermen of Jersey City, held at the Assembly Chamber, City Hall, Tuesday, July 3, 1900.

Chief's Office, Police Department,
Jersey City, N. J., Nov. 16, 1900.

Honorable Board of Aldermen.

Gentlemen—Captain Cody, First Precinct, informs me that Mr. Gelshin, agent Burton Brewing Company, told him he was about to make an application for one A. Diemer to open a saloon at 86 Essex street, and that Diemer intends to have barmaids to wait on customers.

I would respectfully inform your Hon. Body that barmaids will not add to the respectability of a place where liquor is sold. The history of such places convinces one that they are sure to become disorderly houses. I, of course, will not permit this place to open until the license is granted and approved by His Honor the Mayor.

Respectfully yours,

BENJ. MURPHY,
Chief of Police.

The following communication from John Wahl Queen, Corporation Attorney, was presented, received and ordered filed.

Jersey City, Nov. 28, 1900.

M. J. O'Donnell, Esq., City Clerk.

My Dear Sir— I am asked to advise your Board concerning a return of license monies under the following circumstances:—A license was granted July 25, 1900, to Val Ruthlein to keep a saloon at 92 and 94 McAdoo avenue. The lands and premises were afterwards condemned and taken by the city for the opening and improvement of Fowler avenue. The property condemned was not the property of Ruthlein. The building had been sold by the city and removed, and Ruthlein is thereby deprived of the benefit of his license. I beg to advise you that inasmuch as Ruthlein has been deprived of his license by the act of the city and not by his own act, that the proportionate share of the fee for the license yet to run at the time he was deprived of it, should be returned to him.

Yours truly,

JOHN W. QUEEN.

Chief's Office, Police Department,
Jersey City, N. J., Jan. 14, 1901.

Hon. Board of Aldermen:—

Gentlemen — I would respectfully inform your honorable body that Annie Goldberg, who holds a license for the sale of liquor at 295 Newark avenue, is an unfit person to keep such a public place. Last evening the said saloon was raided by the police, when evidence was found that women and men cohabit in the premises, with the knowledge and consent of the licensee and her husband, and that the husband of the licensee charges room rent to men who accompany women to a bedroom connecting with the said saloon. This saloon is the resort of the lowest class of people of both sexes.

Very truly yours,
BENJ. MURPHY,
Chief of Police.

Chief's Office, Police Department,
Jersey City, N. J., Jan. 22, 1901.

Hon. Board of Aldermen, Jersey City:—

Gentlemen—An investigation as to the conduct of Lawrence Sutton and his employes, at his concert hall, Newark avenue and Hoboken avenue, last week, reveals the fact that Sutton is conducting a disorderly house for lucre and gain at said place.

Men are solicited by Sutton and his employes to the rear of the concert hall and drink with the female performers. Assignations were made by those female performers with men for immoral purposes. I caused the place to be raided last night. I would respectfuliy suggest Sutton's current license be revoked.

Your obedient servant,
BENJ. MURPHY,
Chief of Police.

The following communication from Mr. Benj. Murphy, Esq., Chief of Police, was presented, received and referred to the Committee on Exhibitions.

Chief's Office, Police Department.
Jersey City, N. J., February 12, 1901.

Honorable Board of Aldermen:—

Gentlemen—On January 21st last I caused the arrest of Lawrence Sutton, at his concert hall, Hoboken and Summit avenues, for keeping a disorderly house; in that men in the audience were solicited by employes of Sutton to go in private rooms, where they were introduced to the female performers, and were charged exorbitant prices. One of our citizens was robbed by an employee. In the police court Sutton was held for keeping a disorderly house; two of his employees, one a woman, were fined, and one held for the larceny of the watch referred to.

Since that time I have had a policeman in this concert hall every night, and his reports show that notwithstanding this arrest men go into boxes and private rooms and drink with the female performers, this is done openly every night for six (6) nights in the week.

The show at this place closes at midnight, but my officer further reports that the female performers linger there drinking with men as long as two hours after midnight.

These females are usually accompanied by men from the place.

Your Committee on Amusement Licenses have granted a license for two weeks from last Saturday for the continuance of this place of amusement.

I would respectfully suggest that said license be revoked, as it has always been understood between your honorable body and this office that no license would be granted to a concert hall doing business as Sutton is conducting his.

Respectfully yours,
BENJ. MURPHY,
Chief of Police.

The following communication from Edward J. Hewitt, Overseer of the Poor, was presented, received and ordered filed:

Office of Overseer of the Poor,

J. Murray Assistant Overseer of the Poor, from February 1, 1901, at a salary of one thousand dollars per annum, and respectfully ask your concurrence therein.

Respectfully yours,

The following communication from Hon. A. L. McDermott, Corporation Counsel, was presented, received and ordered filed:

Jersey City, April 9, 1901.

M. J. O'Donnell, Esq., City Clerk:—

Dear Sir—You ask my opinion of the relation of "An act to establish an excise

department in cities of the first class in this State," approved March 22, 1901, to the duties now imposed upon the Board of Aldermen in the matter of granting licenses for the sale of liquors. The act provides in effect that licenses hereafter granted by the Board of Aldermen shall not extend beyond the first day of February, 1902, and that the licensing power shall, after the first of next January, be vested in "a Board of Excise Commissioners, to consist of four persons, for the terms hereinafter specified, each of whom shall be elected at large in such city as hereinafter provided." The provisions for election of the Commissioners are as follows:—

I.—Two persons shall be nominated for Excise Commissioners, one for a term of two years and one for a term of one year, by each political party or petitioners who sign nominating papers.

II.—At the election "the two persons receiving the highest number of votes for Excise Commissioner for each of said respective terms shall be duly elected Excise Commissioners for the term so specified."

III.—"No ballot shall contain the name of more than one Commissioner for each of said terms."

In my opinion this method of electing municipal officers is unconstitutional, and the Board of Aldermen should grant licenses without regard to the act mentioned.

Article II. of our State Constitution provides that "every male citizen of the United States, of the age of twenty-one years, who shall have been a resident of this State one year and of the county in which he claims his vote five months, next before the election, shall be entitled to vote for all persons that now are or may hereafter be elective by the people."

The first section of the act provides that the Board of Excise Commissioners shall consist of four persons, "each of whom shall be elected at large in such city as hereinafter provided." At this point the Legislature, in my opinion, departed from the constitutional path. Having decided that four persons were to be elected, the constitutional provision immediately attaches, and it becomes the unassailable right of every citizen entitled to the franchise to vote for all the persons elective by the people.

The statute attempts to provide for minority representation, but it seems clear that minority representation cannot be provided for, under our State Constitution, in any municipal board, all the members of which are to be elected by the people.

In some State constitutions provisions are found for minority representation, by cumulative voting or otherwise, but no instance can be found where legislation of this kind has been upheld under a constitution that entitles every voter to cast a vote for every officer to be elected. In Ohio, the State Constitution provides that every citizen having the qualifications of an elector shall be "entitled to vote at all elections." This provision, it will be seen, is not as explicit as that in our Constitution, but it was held, in the case of State v. Caralotine, 42 Ohio State Reports, 437, that an act authorizing the election of four members of a police board at each election, but denying to an elector the right to vote for more than two, was in conflict with the quoted provision and void.

Numerous cases could be cited from the reports of other States establishing the proposition that under a constitution worded as ours is, the legislature cannot provide for cumulative voting or minority representation as the result of a popular election. A case in point in New Jersey is Allison v. Blake, 28 Vroom, p. 6. An attempt was made, under an act of our Legislature, to elect boards for the control and management of public roads and parks by the votes of such legal voters as were freeholders. Chief Justice Beasley, in declaring the act unconstitutional, said:—"A male citizen of the United States, of the age of twenty-one years, who has been a resident of this State one year, and of the county in which he claims his vote five months, next before the given election, is entitled to vote for all officers that are elective by the people, whether such officers are created by the constitution or by legislation."

If the scheme of this legislation is constitutional, it could be extended to the election of members of the House of Assembly and to all elective municipal boards, and could be so added to that every political party should elect a representative to each board. In such a proposition there would not be a more effective deprivation of the right of self-government than is found in this act. As the question is one that should receive final judicial settlement at an early day, I will, if so instructed by the Board of Aldermen, take such steps as are necessary to submit it for adjudication to the June term of the Court of Errors and Appeals.

Respectfully,

ALLAN L. McDERMOTT,
Corporation Counsel.

OFFICERS' COMMUNICATIONS.

The following communication from Hon. A. L. McDermott, Corporation Counsel, was presented, received and ordered filed:—

Jersey City, July 17, 1901.

Hon. M. J. O'Donnell, City Clerk, Jersey City:—

Dear Sir—I think the nominations for municipal officers to be elected in Jersey City should be filed with the County Clerk. The present arrangement is that the election expenses are equally divided between the city and the county, the county, however, providing the ballot boxes, keeping them in repair and paying, the County Clerk and County Board of Elections. This is the present arrangement, and I think it would be about right to pursue it, but suggest that a committee from the Board of Aldermen should meet with a Committee of the Board of Chosen Freeholders and arrange the matter definitely.

Yours truly,

ALLAN L. McDERMOTT.

The following communication from Benj. Murphy, Esq., Chief of Police, was presented, received and referred to the Committee on Excise:—

Chief's Office, Police Department,
Jersey City, N. J., July 17, 1901.

Hon. Board of Aldermen, City Hall, Jersey City, N. J.:—

Gentlemen—Captain Cody, commanding First Precinct, tells me that Guiseppi De Felice, who when arrested recently gave Joe Derah as his name, has made application for a license to sell liquor at 361 Third street. Captain Cody further reports that this applicant is now under bonds awaiting trial for keeping a disorderly house at 351 Third street.

I would respectfully inform your honorable body that this man brought a prostitute from the city of New York and fixed up a room in the rear of his saloon for her use. I would resepectfully suggest that no license be granted this man before the Department has an opportunity to prove their allegations.

Respectfully yours,

BENJ. MURPHY,
Chief of Police.

The Inspector of Buildings reported three (3) applications for permits to erect frame structures (see reports subsequently made), and the same were referred to the Committee on Laws and Ordinances.

Report of the Inspector of Scales, etc., for June, 1901, showing the inspection, etc., of 3,940 scales, ewights and measures and the collection of $72.89 in fees for

same, was presented, received and ordered filed.

Chief's Office, Police Department,
Jersey City, December 4, 1901.

Honorable Board of Aldermen, City Hall,
Jersey City, N. J.:—

Gentlemen—Michael Damato, a licensed saloonkeeper at Fifth and Brunswick streets, has been arrested for keeping a disorderly house. There is undoubtedly a positive case against this man for harboring disreputable men and women in a private room on his premises.

He is also charged with rape on three girls whose ages run from 14 to 16 years. For more than a year his neighbors have complained of disorderly conduct in and around his place. I therefore believe him to be an unfit person to be intrusted with a license to keep a public place.

Respectfully yours,
BENJAMIN MURPHY,
Chief of Police.
